

ANNUAL REPORT ***(2016-2017)***

From the Director's Desk.....

I am indeed happy to on record the activities of Human Welfare Trust for the Financial Year 2016-2017. Among many hurdles Human Welfare Trust was successful to complete the year's service. It gives a pleasure to look back the activities of Human Welfare Trust and record its meritorious volume of work in this Annual Report.

The successful completion of this Financial Year in the life of Human Welfare Trust was made easy through the active participation of our partner agencies. I take this opportunity to thank each and every one who contributed to fulfill the goals set Human Welfare Trust in this financial year. I believe continued support in the forthcoming years will bring in more development insights among the marginalized rural and urban communities living around. I on behalf of all the trustees take this opportunity to thank every partner and look forward to our continued participation in the future too.

HEALTH CAMP

Health Care programs leave a significant impact in terms of providing better health care to the marginalized sections of our society, especially children and women. We have conducted Health camp with following objectives and activities

- *To bring affordable healthcare and free health information to the community and identify the common healthy problems of the community in order to addressing them, in partnership with Healthcare Centre..*
- *Specifically, the medical camp sought to provide both preventive and curative treatment for common conditions in the community.*
- *To create awareness on the need for personal hygiene in prevention of serious disabling diseases*
- *To refer those who require specialized treatment to the relevant centre.*
- *To create awareness on our Trust activities to the community.*

A series of medical health check up camp for our valuable people were organised with collaboration of Health centre .The team member of hospital were participated .Free physical examination were done along with free blood sugar, Blood pressure were provided by the hospital. Free Medicines were distributed to all. The doctor told me that she will do free consultation for the women who we refer. The beneficiaries were very happy and encourage us to conduct more such camps. We also thank our team members for their efforts to making the camp successful. We all planed to have more such camps in future with proper intervals. The medical camp provided opportunities to us to give extend our trust services to the community.

TUITION AND SPOKEN ENGLISH TRAINING

Tuition programme was conducted for school going children at free of cost. Many of the children's parents are working more or less uneducated, so these were our target. Education to the children through 'Tuition and special spoken English based Learning Method which helps students learn faster. We have given chances for the educated women to handle these class, so that they were also get an employment opportunities.

SCHOOL SANITATION

Sanitation is important for all, helping to maintain health and increase life-spans. However, it is especially important for children. Our team helps villages identify hygiene practices in need of improvement, and helps create a plan to move forward. We have seen how improved hygiene practices can help extend the impact of clean water. Many people know the importance of clean

water and basic sanitation for health. yet, hardly think of what not having these amenities means for schools and education. In many schools in rural areas , school are functioning without proper toilet for the students. We have visited government school in order to create awareness porgramme of health and sanitation among school teachers and students. The program believes that improved sanitation and the provision of other basic amenities will make schools and students happier, healthier, and more active.
