## From the Director's Desk

*I am indeed happy to on record the activities of Human Welfare Trust for the Financial Year 2013-2014. Among many hurdles Human Welfare Trust was successful to complete the year's service. It gives a pleasure to look back the activities of Human Welfare Trust and record its meritorious volume of work in this Annual Report.*

*The successful completion of this Financial Year in the life of Human Welfare Trust was made easy through the active participation of our partner agencies. I take this opportunity to thank each and every one who contributed to fulfill the goals set Human Welfare Trust in this financial year. I believe continued support in the forthcoming years will bring in more development insights among the marginalized rural and urban communities living around. I on behalf of all the trustees take this opportunity to thank every partner and look forward to our continued participation in the future too.*

## **DISTRIBUTION OF EDUCATION MATERIALS**

*Human welfare trust has collected list of poor children who is studying the school. We have raised fund for the well -wishers and have purchased the school materials for the children. Little children from deprived families are regularly motivated towards education. In order to encourage this Children Human Welfare Trust regularly conducts summer camp. Children are given specific training on personality development and also exposed to gain social orientation on new emerging areas. All children are supported by distributing notes, stationary, Geometry Box and School Bags. A total of 300 children benefitted through this programme this year.*

## **TUITION CENTER FOR THE CHILDREN**

*The main aim of this programme is to enhance the quality of life of children and youth through increased knowledge and skills. The trust also realized that merely imparting literacy would help the younger generation come up their life. Though many children have come from poor family, they were not offer to go for tuition to improve their education. So keeping this in our objective, we have organised free tuition center for the children. Nearly about 150 children were studying in the village .we have organised classes for the Standard wise . Special attention was given to the children who are appealing public examination.*

## **COMPUTER TRAINING PROGRAMME FOR THE SCHOOL CHILDREN**

*Computer knowledge is very minimal in rural schools due to lack of: electricity, skilled man power, good building infrastructures, and poverty, among others. Lack of computers in most of the rural communities makes access to information very expensive for everyone including children in primary schools. Computer skill is very much needed in this modern world, because in every field computer skills is needed for employment opportunity.so we were training the school children for the school to learn computer skill."Free computer training programme" for school children to improve basic knowledge and employability capability of children. The goal of the programme is to development of self-confidence to face innovate and unfamiliarsituation. We have develop the rural school children such aptitudeand skills which will*

*enable them to function better as productive citizens. We have successfully enrolled 200 school going children in our training center.*

### ***WATER SANITATION AND HYGIENE***

*With the aim of promoting safe drinking water, sanitation and hygiene regular education programmes are organized at various settings to include different beneficiaries. Awareness on use of sanitary latrines, in effects to open defecation, low cost construction techniques of latrines, and best hygiene behaviors all imparted to children and adults. In order ensure better awareness to the wider population, Human Welfare Trust also conducts campaign with the efforts of school children.
